

Supported Operating Systems and Browsers

Operating Systems

The following statements outline the scope of general device and operating system support for Mobiliti Business. Only devices explicitly listed in this Certified Device List are fully supported. Other devices that conform to the general support policy below may also function.

NOTE: Only major operating system versions released directly by OEMs (Apple or any Android hardware manufacturer) are included in scope. Any OS version updates or software patches that are released by carriers are not included in the scope for certification.

Operating System	Minimum OS Version Support	Maximum OS Version Support	Hardware Requirements	Channel Support
Android	Android version 6.0	All later major version updates are supported; for example, 7.0, 8.0, 9.0	Remote Deposit Capture support requires a camera of at least two mega-pixels in resolution	Android Application Push
iOS- iPhone	iOS version 13.0	All later major version updates are supported; for example, 14, 15 Beta releases of iOS will not be supported until they are released in production. This includes public betas.	None	iPhone Application Push
iOS – iPad	iOS version 13.0	All later major version updates are supported; for example, 14, 15 Beta releases of iOS will not be supported until they are released in production. This includes public betas.	None	iPhone Application (Scaled)

Browsers

The following browsers can be used with Mobiliti Control Center:

- Internet Explorer 9
- Internet Explorer 11
- Firefox (latest major version)
- Chrome (latest major version)

Certified Device List

Brand/ Manufacturer	Model	New	Max OS Supported	TouchID/ Biometric Supported
